PRESENTATION ON PROCEDURES FOR OBTAINING PLANNING PERMISSION

Pursuant to the provisions of Part VI section 49 of the Urban and Regional Planning Act no.3 of 2015, all persons who want to develop land, change the use of land, subdivide/ replan land are required to obtain planning permission from the Planning Authority. In accordance with section 29, the Act defines development as the carrying out of any building, rebuilding, mining or other works or operations on or under land, including the subdivision of land or a change in the use of land. Therefore, obtaining planning permission entails the grant of permission or authority to carry out such developments.

Types of development

1. Major Development

This is any development requiring change of land use, an Environmental Impact Assessment, located within 2km of national parks; etc examples include the construction of Shopping malls, filling stations and mining activities.

2. Minor Developments

Any development on an area that is less than 2 hectares. Examples include the construction of dwelling houses and small shops.

The Legal framework guiding the Development of land in Zambia

The principal laws guiding the construction of buildings and structures are:

1. The Urban and Regional Planning Act no.3 of 2015 and
2. The Public Health Act, Chapter/Cap 295 of the laws of Zambia

Reasons for obtaining planning permission

1. To avoid being in conflict with the law-Part VI section 2 of the URP Act no.3 of 2015 states that A person who contravenes subsection (1) commits an offence and is liable, upon conviction, to a fine not exceeding three hundred penalty units.
2. To contribute to the orderly development of our towns and cities.
3. Safety and security

Requirements for grant of planning permission

- 1.0 Submission of an application to the local authority in form II accompanied by:
 - a. Ownership documents (Certificate of title or Letter of offer from the ministry of lands, Occupancy license or Council title for improvement areas)
 - b. Proof of payment of ground rent to the ministry of lands
 - c. Building plan showing location and site plans, elevations, sections, floor plans, as well as details of materials required for the construction including the roof.
 - d. Proof of payment for the service to the Planning Authority.
- 2.0 Consideration of application to be done within ninety days for major developments and twenty-eight days for minor developments
- 3.0 Grant or refusal of development permit by written notification.

INTERGRATED DEVELOPMENT PLAN (IDP)

The District planning officer briefed stakeholders on the significance of the Luanshya Municipal Council Integrated Development Plan (IDP), outlining its operational framework and the period it covers. She explained that the Luanshya IDP is a long-term strategic plan spanning ten years, developed through a participatory process. The plan serves as a guiding framework for budgeting, resource allocation, and service delivery at the local level.

The matter was **NOTED**

CDF PROCEDURES

The Environmental Planner briefed the stakeholders on the procedure of the Constituency Development Fund (CDF). She explained that the process begins with the identification of community needs at the ward level. Project proposals are submitted through the Ward Development Committees to the Constituency Development Fund Committee for consideration. She further explained that approved projects may qualify for grants, loans, or skills development programs. Grants and loans are disbursed directly to beneficiaries or implementing bodies following approval, while skills programs are organized and delivered through training workshops, mentorship, or partnerships with relevant institutions. Projects are then implemented in accordance with established guidelines, and monitoring and accountability measures are conducted to ensure proper utilization of the funds.

The matter was **NOTED**.

5) PLENARY

During plenary, stakeholders were invited to ask questions, make contributions and raise concerns.

Inquiry:

Stakeholders inquired regarding what was causing late payment of cash for work beneficiaries and if there was a risk of paying individuals who had not worked.

Response:

Council Planning Department explained that names originated from communities, and delays arose due to difficulties in identifying willing workers by Ward Development Committee members. On the issue pertaining to payment, it was explained that Council supervisors verified participation through licensure to ensure compliance

Stakeholders questioned the council whether they were any penalties imposed on unauthorized development in the district.

To respond the Planning Department clarified that unsafe structures are demolished whereas sound structures built incur a 100% penalty fee.

Stakeholders raised concern that Garbage accumulation especially in markets.

to respond, council officers assured that steps would be implemented to guarantee prompt garbage collection.

Other stakeholders inquired on why some of the revenue collectors did not have receipt books.

To respond to the concern, council officers said that the manual receipting process is being discontinued to make way for the mobile money platforms.

CLOSING REMARKS

The District Planning officer expressed gratitude to all stakeholders for attending the 2026 budget meeting. She promised that the council would try to review and act upon their suggestions.

Having exhausted the agenda, the meeting was declared closed at 17:10 hours with a closing prayer from Ms. Mwewa.
