FEEDBACK

- The Ward Development Committee Chairperson for Lumumba ward Mr. Ignitius Chanda expressed appreciation to Luanshya Municipal Council and the Government for the sponsorship of over 1000 students under the Constituency Development Fund since its increment from K6 million in 2022 to K36 million in 2025. In the same vein, a beneficiary of the same expressed gratitude as after attaining a skill in carpentry as joinery, he had set up a workshop in collaboration with two others in Zambezi ward.
- Further, Stakeholders expressed concern over unemployment of the youths in the district. In response, the District Planning Officer encouraged stakeholders to apply for CDF skills development and youth and women empowerment grants which has the capacity to empower them with life skills and provide capital for entrepreneurial development.
- The Chairperson of the Bus Drivers Association raised concerns about the congestion caused by the bus station located in the Central Business District (CBD) and inquired whether the Council was considering relocating the bus station back to Second Class. In response, the District Planning Officer stated that plans were underway to construct a modern bus terminus at Second Class under Zambia Devolution Support Programme (ZDSP).

The matter was *NOTED*.

INTERGRATED DEVELOPMENT PLAN (IDP)

The District Planning Officer briefed stakeholders on the existence and significance of the Luanshya Integrated Development Plan 2023-2033 (IDP), which was under implementation since 2023 when it was approved by the Ministry of Local Government and Rural Development. Further, she stated that a review of the plan was conducted and it showed that at least 45% of the plan was implemented in the first two and half years, adding that 122 community infrastructure projects were successfully implemented which Government funded through the expanded Constituency Development Fund since 2022 to date. Lastly, She urged stakeholders to take keen interest in the IDP as it served as a guiding framework for budgeting, resource allocation, and service delivery at the local level.

Procedure of acquiring land

The Town Planner briefed the stakeholders on the procedure for acquiring land in the Planning Authority. She explained that the process involves identifying available land, preparation of Local Area plans, securing council approval, numbering and subsequent advertisement of the numbered parcels to the general public, who upon fulfillment of prescribed procedures and payment of required service fees and charges are recommended to the ministry of lands for obtaining certificates of title.

The matter was *NOTED*

CDF PROCEDURES

The Environmental Planner briefed the stakeholders on the procedure of the Constituency Development Fund (CDF). She explained that the process begins with the identification of community needs at the ward level. Project proposals are submitted through the Ward Development Committees to the Constituency Development Fund Committee for consideration. She further explained that approved projects may qualify for grants, loans, or skills development programs. Grants and loans are disbursed directly to beneficiaries or implementing bodies following approval, while skills programs are organized and delivered through training workshops, mentorship, or partnerships with relevant institutions. Projects are then implemented in accordance with established guidelines, and monitoring and accountability measures are conducted to ensure proper utilization of the funds.

The matter was **NOTED**.
