4.0 BUDGET SUMMARY

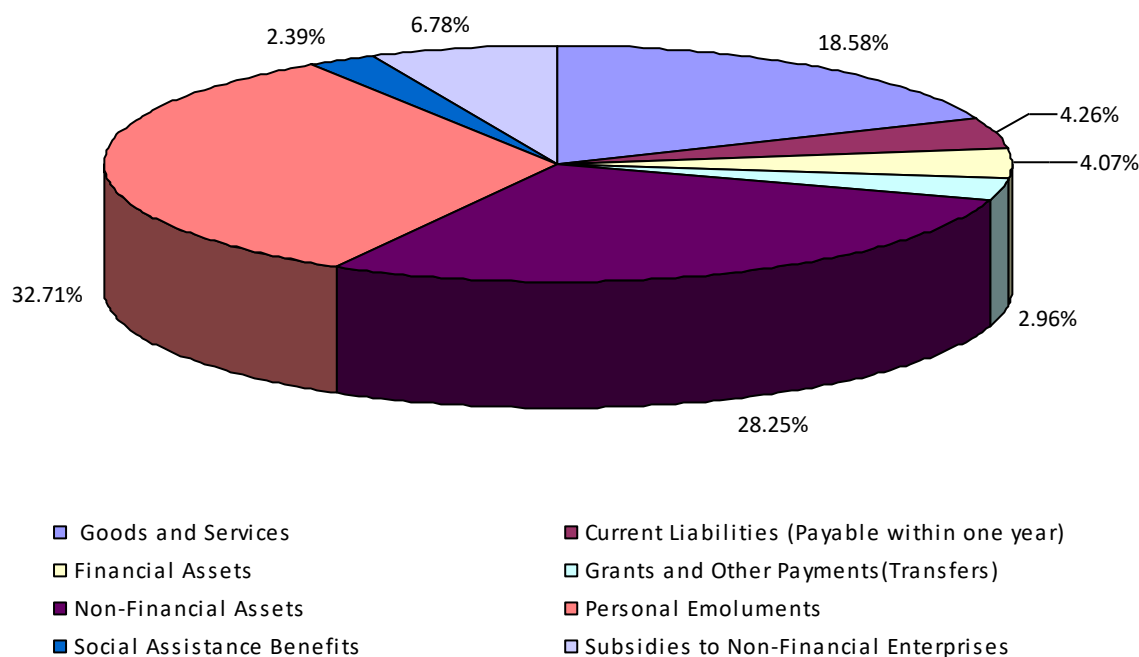

The overall budget for the Luanshya Municipal Council is K203.5 million, representing a one (1) percent decrease from the 2025 budget of K205.9 million. This decrease is attributed to the downward adjustment of Cash for Work programme to K6 million from K15.2 million and exclusion of the Capital Grant under the Zambia Devolution Support Programme amounting to K8.1 million in the 2026 budget. On the other hand, there is an upward adjustment of the Constituency Development Fund to K80 million from K72.1 million for both Roan and Luanshya Central constituencies. Additionally, locally generated revenue has increased to K91.2 million from K84.5 million, representing eight (8) percent increase. The increase is due to an upward adjustment on Levies, Permits and Property rates based on the 2025 performance and the introduction of cashless payment platforms. The 2025 budget is distributed across sixteen (16) programmes, as shown in Table 2.
